

TAO AST-SC PLATFORM

THE PLACE TO BE FOR AST-SC COLLEAGUES

Brussels, 17 May 2022

WHY OUR PLATFORM?

- **TAO** The Independents has worked hand in hand with all the AST-SC colleagues of the European Commission for years;
- We have together contributed to raising awareness of the reality and fair expectations of our people;
- Over the years, we have created a good momentum for our category at the highest political level of our institution. Yet, the challenges remain and we must act together and stand up for our rights in a united and

structured manner;

- We have endeavoured to keep everyone informed on the major developments by meeting up on regular basis, and have come up together with **different actions** we have launched at **TAO** with your massive support;
- Thanks to the good electoral result, we feel we are now ready to **move our action to the next level**: more coherent, more determined.

GOALS

- To take concrete further actions in defence of our **collective rights**
- To keep and develop a **close interaction** with all the AST-SC colleagues
- To develop the sense of professional **PRIDE**;

COORDINATORS OF TAO AST-SC PLATFORM
